**Indiana Higher Education Courses Meeting
The Indiana Library and Historical Board's
Public Librarian Certification Requirements
For Level 5 Certificate**

IU=Indiana University, BSU=Ball State University, ISU=Indiana State University, IVY=Ivy Tech State College

Some courses may be offered via Internet or other distance education platforms. Contact the institution for details.

Indiana University is the only provider of an ALA-accredited MLS/MIS in Indiana (500 level courses).

The Indiana State Library encourages any person who anticipates seeking higher levels of certification in the future begin with the courses required for a Level 5 certificate, and, for the same reason, strongly encourage every person seeking certification complete a course from the Public Library Management list.
